**ORDER DENYING PLAINTIFF'S MOTIONS FOR  
PERMISSION TO EXPAND THE RECORD (DKT. NOS. 67 AND 71)**

This matter is before the Court on Plaintiff's motions for permission to expand the record (Dkt. Nos. 67 and 71). The Court has reviewed the motions, and finds that Plaintiff seeks to expand the record regarding Defendants – primarily the MDOC and PHS – that have been dismissed from this case. There are only two Defendants that remain: Nurse Wilson and RUM Lemon. Lemon no longer works for the MDOC and has not been served. Plaintiff's motions to expand the record do not appear to pertain to Defendants Wilson or Lemon.

To the extent Plaintiff's motions seek to add new Defendants to this case, Plaintiff should file a "motion for leave to amend" and attach a complete copy of the proposed amended complaint. Accordingly,

**IT IS ORDERED** that Plaintiff's motions for permission to expand the record are  
**DENIED.**
